

ERII Membership Application and Description

Membership Categories and Qualifications *(subject to review and acceptance)*

ERII Membership is restricted to the following categories of individuals:

- TSCM Specialists
- Active & Retired Counterespionage / Counterintelligence Practitioners
- Non-practitioners with an interest in TSCM as either a service vendor or consumer may apply for Associate Membership.

Full ERII Member Qualifications. Fee: \$150.00 annually

- Active TSCM Specialists having a minimum of three years current experience providing TSCM services. Additionally, new member candidates must provide proof of TSCM schools attended, relevant certifications and dates of completion for consideration. Two business references also required. All new candidates must be recommended for membership by an ERII member in good standing.
- *ALL existing ERII members as of 09-30-2011 are automatically grandfathered and eligible for full ERII membership.*

Benefits of Full ERII Membership:

- Eligible to attend annual ERII conference at member discounted pricing.
- Eligible to participate in ERII training seminars.
- Get access to the ERII web site "Members Only Portal".
- Use of the ERII logo for their business web site, which links back to ERII web site.
- Full ERII Membership certificate suitable for framing and membership card.
- Opportunity to submit TSCM subject matter articles for posting on ERII web site. (Posts must be related to educating potential customers and/or industry on TSCM threats or current issues. All posts must be approved by ERII prior to posting.)
- Active Government, Military or Law Enforcement members who wish to remain anonymous will be accommodated.

Associate ERII Member Qualifications. Fee: \$ 100.00 Annually

- Non-practitioners including security directors, corporate executives, law enforcement and others.
- Non-practitioners with an interest in TSCM as either a service vendor or consumer.
- A Full ERII member in good standing must recommend all new associate candidates for membership.

Benefits of Associate ERII Membership:

- Eligible to attend annual ERII conference
- Eligible to participate in ERII training seminars
- Access to the new ERII web site "Associates Portal"
- Associate Membership certificate suitable for framing
