2018 ERII CONFERENCE
Schedule of Events (As Of 08/13/2018)

Friday - September 21, 2018

Time	Description	Location
6:00 AM - 9:30 AM	**Made To Order Breakfast For Hotel Guests**	Main Hotel Lobby
8:00 AM - 8:05 AM	**Daily Conference Briefing by J.D. LeaSure, Director of ERII**	Mason Room A/B
8:05 AM - 9:15 AM	**To Be Announced**	Mason Room A/B
9:15 AM - 10:10 AM	**5G - Three Paradigm Shifts That Will Impact TSCM Inspection Protocols By John B. Minor, Communications Expert.** "The emerging 5G NR standard will dramatically increase espionage risk worldwide. This presentation will provide an overview of current and future non-standalone and standalone 5G network implementations. Coupled with the persistent, ongoing surveillance threat of Signals System 7, clearly 5G will impact and transform TSCM inspection protocols."	Mason Room A/B
10:10 AM - 10:30 AM	**Break (Refreshments)**	Mason Prefunction
10:30 AM - 11:15 AM	**Risk Transfer via Insurance for Cyber Espionage - Think Again by Jarrett Kolthoff, CISSP and President/CEO of SpearTip.** "Many incidents involved pure social engineering, although several of the most notable incidents involved a compromise within the company that perpetuated the fraud. The difference in technical details on these matters seem insignificant, although these are the specific elements that insurance companies are citing as Exclusions – when denying claims. We will explore how you can protect & battle test your team to prepare for these issues."	Mason Room A/B
11:15 AM - 12:00 PM	**The Importance of IQ in a Modern Threat Environment By Paul Turner (TSS, TSI) Corporate Director of Professional Development TSCM Group Inc.** "IQ has been widely exploited in government circles, but the complexity has made IQ analytics difficult to master within the private sector TSCM community. IQ is the basis of best practice within the TSCM role. Learn how to tame the IQ and apply it to the analytical process."	Mason Room A/B
